**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On December 18, 2019, FS KKR Capital Corp. II (formerly known as FS Investment Corporation II) (“FSK II”) completed its previously announced acquisition of FS Investment Corporation III (“FSIC III”), FS Investment Corporation IV (the “Company”) and Corporate Capital Trust II (“CCT II”), pursuant to that certain Agreement and Plan of Merger (the “Merger Agreement”), dated as of May 31, 2019, by and among FSK II, FSIC III, the Company, CCT II, NT Acquisition 1, Inc. (“Merger Sub 1”), NT Acquisition 2, Inc. (“Merger Sub 2”), NT Acquisition 3, Inc. (“Merger Sub 3”), and FS/KKR Advisor, LLC (the “Advisor”).

Pursuant to the Merger Agreement, (i) Merger Sub 1 merged with and into FSIC III, with FSIC III continuing as the surviving company and as a wholly-owned subsidiary of FSK II (“Merger 1A”), and, immediately thereafter, FSIC III merged with and into FSK II, with FSK II continuing as the surviving company (together with the Merger 1A, “Merger 1”), (ii) Merger Sub 2 merged with and into CCT II, with CCT II continuing as the surviving company and as a wholly-owned subsidiary of FSK II (“Merger 2A”), and, immediately thereafter, CCT II merged with and into FSK II, with FSK II continuing as the surviving company (together with the Merger 2A, “Merger 2”), and (iii) Merger Sub 3 merged with and into the Company, with the Company continuing as the surviving company and as a wholly-owned subsidiary of FSK II (“Merger 3A”), and, immediately thereafter, the Company merged with and into FSK II, with FSK II continuing as the surviving company (together with the Merger 3A, “Merger 3” and, together with Merger 1 and Merger 2, the “Mergers”). As a result thereof, and as of the effective time of, Merger 3, the Company’s separate existence ceased.

In accordance with the terms of the Merger Agreement, at the time of the closing of the Mergers, (i) each outstanding share of FSIC III common stock was converted into the right to receive 0.9804 shares of FSK II’s common stock, (ii) each outstanding share of beneficial interest of CCT II was converted into the right to receive 1.1319 shares of FSK II’s common stock and (iii) each outstanding share of Company common stock was converted into the right to receive 1.3634 shares of FSK II’s common stock. These exchange ratios were determined based on the closing net asset value (“NAV”) per share of \$7.36, \$7.22, \$10.03 and \$8.33 for FSK II, FSIC III, the Company and CCT II, respectively, as of December 16, 2019, to ensure that the NAV of shares investors will own in FSK II is equal to the NAV of the shares they held in each fund. As a result, FSK II will issue an aggregate of approximately 289,084,117 shares of its common stock to former FSIC III stockholders, 14,031,781 shares of its common stock to former CCT II shareholders and 43,668,803 shares of its common stock to former Company stockholders.

The foregoing description of the Merger Agreement is a summary only and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

At the 2019 annual meeting of stockholders of the Company, initially held on November 6, 2019 and adjourned and reconvened on November 22, 2019, the Company received stockholder approval to amend the Articles of Amendment and Restatement of the Company (the "Charter"). The articles of amendment to the Charter (the "Amendment") (i) delete Section 10.5 of the Charter regarding limitation on certain affiliated transactions and (ii) delete Article XII of the Charter regarding limitations on roll-up transactions. An additional summary of the revisions made to the Charter by the Amendment can be found in the Company's joint proxy statement/prospectus, as amended, filed with the Securities and Exchange Commission (the "SEC") on August 13, 2019, and is incorporated herein by reference. **Item 7.01 Regulation FD.**

On December 17, 2019, the Company's board of directors declared a distribution in the gross amount per share set forth below (which gross amount will be reduced for any distribution fees and any other expenses that are payable with respect to such shares) for December 2019, which includes a distribution of the Company's previously undistributed "investment company taxable income" within the meaning of Section 852(b) of the Internal Revenue Code of 1986, as amended (the "Code") (determined without regard to Section 852(b)(2)(D) of the Code). The distribution will be paid on or about the payment date set forth below to stockholders of record as of the record date set forth below.

Record Date	Payment Date	Gross Distribution Amount
December 17, 2019	December 18, 2019	\$0.329758

*Certain Information About Distributions*

Following the closing of the Mergers, former Company stockholders became stockholders of FSK II. The determination of the tax attributes of FSK II's distributions is made annually as of the end of FSK II's fiscal year based upon its taxable income and distributions paid, in each case, for the full year. Therefore, a determination as to the tax attributes of the distributions made on a quarterly basis may not be representative of the actual tax attributes for a full year. FSK II intends to update stockholders quarterly with an estimated percentage of its distributions that resulted from taxable ordinary income. The actual tax characteristics of distributions to stockholders will be reported to stockholders annually on Form 1099-DIV. The payment of future distributions on FSK II's shares of common stock is subject to the sole discretion of the board of directors of FSK II and applicable legal restrictions and, therefore, there can be no assurance as to the amount or timing of any such future distributions.

FSK II may fund its cash distributions to stockholders from any sources of funds legally available to it, including offering proceeds, borrowings, net investment income from operations, capital gains proceeds from the sale of assets, non-capital gains proceeds from the sale of assets and dividends or other distributions paid to it on account of preferred and common equity investments in portfolio companies. FSK II has not established limits on the amount of funds it may use from available sources to make distributions. There can be no assurance that FSK II will be able to pay distributions at a specific rate or at all.

On December 18, 2019, the Advisor issued a press release announcing, among other things, the closing of the Mergers. The press release is furnished as Exhibit 99.1 to this Form 8-K.

## **FS/KKR Closes \$9.5 Billion Merger Creating Second Largest Business Development Company**

**Philadelphia and New York, December 18, 2019** – FS/KKR Advisor, LLC (FS/KKR), a partnership between FS Investments and KKR Credit Advisors (US) LLC, today announced the closing of the mergers of four non-traded business development companies (BDCs): FS Investment Corporation II (FSIC II), FS Investment Corporation III (FSIC III), FS Investment Corporation IV (FSIC IV) and Corporate Capital Trust II (CCT II). The combined entity, which is named “FS KKR Capital Corp. II” (FSK II), becomes the second largest BDC with over \$9.5 billion in assets and, as of September 30, 2019, 210 portfolio companies across 21 industries.

“As we explained in June when we announced our intention to merge these BDCs, we believe the scale, diversification, operating efficiencies and capital structure flexibility of the combined entity will drive shareholder value,” said Michael Forman, Chairman and CEO of FSK II. “The mergers also represent a major milestone in our plan to list FSK II in 2020.”

The mergers are also expected to reduce annual operating expenses through the elimination of duplicative legal, administrative, printing and other expenses.

Based on the merger exchange ratios, FSIC III, FSIC IV and CCT II shareholders will receive 0.9804, 1.3634 and 1.1319 FSK II shares, respectively, for each share of FSIC III, FSIC IV and CCT II held. These exchange ratios were determined based on the closing net asset value (NAV) per share of \$7.36, \$7.22, \$10.03 and \$8.33 for FSIC II, FSIC III, FSIC IV and CCT II, respectively, as of December 16, 2019, and ensure that the NAV of shares investors will own in FSK II will be equal to the NAV of the shares they held in each fund.

The company intends to list its common stock on the New York Stock Exchange during 2020, subject to market conditions and board approval. Prior to the listing, FSK II intends to issue 5.50% perpetual preferred shares equivalent to approximately 20% of FSK II’s NAV, pro rata to all holders of FSK II common stock, subject to final board approval. FSK II’s board of directors anticipates paying distributions on the company’s common stock on a quarterly basis, with the first distribution expected to be declared in March 2020 and paid in early April 2020.

The mergers announced pursuant to this press release do not impact FS KKR Capital Corp. (NYSE: FSK), which also is advised by FS/KKR and trades on the New York Stock Exchange.
